

Science Infinity Challenge

Written and buzzer-style science competition
with team and individual rounds open to all.

Specializations

Earth/Space

Physics/Energy

Biology

Chemistry

Last few days, pay through PayPal, register now!

We will combine teams/individuals to teams of 3 or 4.
Email us to add members to a smaller team (max of 4).
Mixed-grade teams, mixed-school teams allowed.

Turing Test (Team Written)

Multiple choice: Right Ans: 6, Wrong Ans: 0, No Ans: 1.5

4 subject-wise tests for each team

Answers on bubble sheets.

Discussion allowed

Scientific Calculators Allowed

Lightning round: 15 minutes, 40 questions

Feynman Papers (Individual Written)

Individual test in his/her specialization (listed above)

Multiple choice: Right Ans: 6, Wrong Ans: 0, No Ans: 1.5

Answers on bubble sheets.

Scientific Calculators Allowed

25 minutes, 40 questions

Sanger Trials (Team Buzzer Round)

3-4 person teams, anyone on first-buzzing team can answer

After wrong answer, questions passed to other teams

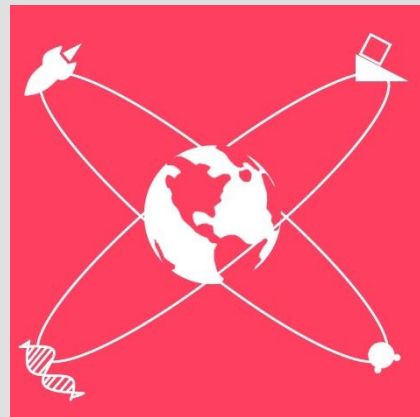

Team discussion allowed, but time is limited

No penalties. Answer only after acknowledged or lose turn.

Swiss League Format with 7 to 10 rounds - time bound.

Last-round rankings determine winners

Win awards and prizes!

Who
Grades 5-8
Teams of 3-4

When
May 20, 2017
9:00 AM – 3:00 PM

Where
Tesla STEM High
School
4301 228th Ave N.E.,
Redmond WA 98053
